Everything about the historic ... -
Rockabilly is one of the earliest
styles of rock and roll music,
dating back to the early 1950s in
the United States, especially the
South. As a genre it blends the
sound of Western musical styles
such as country with that of
rhythm and blues, leading to what
is considered "classic" rock and
roll. Thu, 14 Jun 2018 16:37:00

Lessons: Arlen Roth - Rock and
roll emerged as a defined musical
style in the United States in the
early to mid-1950s. It derived
most directly from the rhythm

and blues music of the 1940s,
which itself developed from
earlier blues, boogie woogie, jazz
and swing music, and was also
influenced by gospel, country and
western, and traditional folk
music. Sun, 17 Jun 2018 02:00:00
